learn today the art of persuasion to effectively defend an opinion limited time offer regular 11.99 here's a fact arguments will always happen we have all had arguments at some point or another some you win and some you lose and often sometimes you lose arguments not because your point was wrong or ill considered but because you have not effectively made your point clear enough have you ever been in an argument or heated debate and found yourself becoming flustered and unable to think straight you may have even had all the facts stacked in your favor but just have not been able to communicate them well this guide can change all that and arm you with all the required information to communicate your point calmly and effectively arguing is a part of our relationships with other people whether it is with our lifelong partner or just a stranger on the street with debate and verbal conflict being so common it's well worth training yourself to master the art of argumentation this book is discounted for a limited period only this guide will provide you with a strong insight into this rare skill whilst by no means an exhaustive resource by having read this guide you should understand everything you need to know to be comfortable arguing with anyone from a lover to an angry colleague on your journey through this ebook you will have dipped and dived through formal logic and academic arguments learning how to present and consider your ideas analytically along the way you will have also jumped into the world of confrontational arguments discovering how to defuse calm and communicate in your conflict with those you know further down the path you will take a crash course in body language and non verbal communication gaining the ability to alter and recognize the hidden signals people display finally you will also learn how to appreciate the differences in approach when dealing with conflicts between colleagues friends family members and strangers arguments a preview what is argument understanding what a formal argument is the difference between induction and deduction why do arguments occur defusing an argument defending an opinion recognizing fallacies body language and arguments concepts in body language posture expression gestures dress appearance arguments friends family your character arguing with colleagues arguing with strangers the do's don'ts of arguing

how to win an argument is a life skill unfortunately schools don't teach it an average man everyday finds himself in at least 5-10 situations where he is in some disagreement

with another thus this requires him to have the essential life skill of arguing successfully to get his point heard to get his opinion or perception understood and to get his view implemented knowing how to argue successfully can be the difference between success and failure have you been in an argument with your parents whom you love so much but yet you want to live your life on your own terms rather than what your parents think is right for you have you been in an argument with your spouse whom you love and care about but you feel he/she controls you too much and doesn't give you space to do things which you like to do have you been in an argument with your friends who try to ridicule you and put you down before other people at parties and during discussions have you been in an argument with your boss who sometimes is illogical and unreasonable and misuses authority to undermine you and your ideas have you been in an argument with your elders maybe your sister brother aunt etc whom you respect a lot for their age and experience but not when it comes to deciding your life career marriage and other life changing decisions have you been in an argument with your children whom you love more than yourself but who take advantage of you by emotional blackmail have you been in an argument with your employees whom you so dearly care for but many times they get influenced and instigated by outsiders and behave stubbornly and irrationally have you been in an argument with strangers in malls buses and other public places who are rude aggressive to you and who attack you with their illogical and unreasonable arguments are you preparing for an interview for your next job are you preparing for group discussion good for the entrance into a management college if you have been in any of the situations mentioned above then this book is for you in this book you will learn how to identify the various types structures of arguments and to counter them effectively how to use different argument techniques in different situations how not to get trapped by another person who is using a particular argument techniques to his advantage how to win arguments without losing friends and relatives common mistakes and fallacies which people make while forwarding their arguments what are you waiting for transform your life by learning this most critical life skill and succeed beyond imagination click the buy button on the top of this page

arguing with people brings developments from the field of argumentation theory to bear on critical thinking in a clear and accessible way this book expands the critical thinking toolkit and shows how those tools can be applied in the hurly burly of everyday arguing gilbert emphasizes the importance of understanding real arguments understanding just who you are arguing with and knowing how to use that information for successful argumentation interesting examples and partner exercises are provided to demonstrate tangible ways in which the book's lessons can be applied

in this updated second edition debating health care ethics explores contemporary moral challenges in health care providing students with the essential tools to understand and critically evaluate the leading arguments in the field and to develop their own arguments on important moral problems in health care written in a clear and concise way the textbook's first three chapters explore the nature of arguments and ethical theories while the remaining chapters introduce students to moral problems in health care through case studies and dramas that feature complex scenarios involving patients family members and health care providers each case study and drama is followed by a lively debate where the authors defend their unique approaches to the dilemma this new edition now includes more gender inclusive dramas an expanded discussion of feminist ethics a case study on euthanasia that highlights changes to canadian law and an update on fetal consciousness that informs the debate on abortion emphasizing critical issues in health care from a canadian perspective this essential textbook will benefit students in philosophy nursing and health studies

a fortiori logic innovations history and assessments by avision is a wide ranging and in depth study of a fortiori reasoning comprising a great many new theoretical insights into

such argument a history of its use and discussion from antiquity to the present day and critical analyses of the main attempts at its elucidation its purpose is nothing less than to lay the foundations for a new branch of logic and greatly develop it and thus to once and for all dispel the many fallacious ideas circulating regarding the nature of a fortiori reasoning

this is a topically organized introduction to the traditional problems of philosophy it aims to introduce readers to traditional philosophical problems and to expose readers to philosophical argumentation in such a way that they will feel confident in handling abstract concepts
